

BLACK SEA GRAIN – 2021: Agribusiness Leaders Will Meet on May 20-21!

Agribusiness is moving forward, to new heights and cooperation! UkrAgroConsult invites agribusiness players to join the 18th International Conference 'BLACK SEA GRAIN-2021' which will be held on May 20-21, InterContinental Hotel, Kyiv.

This year's grain forum returns in a hybrid format. The first day will combine a live conference, meetings and Evening Cocktail on the terrace of InterContinental. The second day will be held virtually only. Conference stream and recording, virtual booths and networking will also be available within the event's online platform.

Companies from 20+ countries are already on board! [Here](#) you will find a list of participants.

The Conference Agenda is available [here](#).

[Here](#) you can register for the Conference.

The Conference also offers a number of [advertising options](#) and [Sponsorship opportunities](#).

Join agribusiness professionals at BLACK SEA GRAIN - 2021 and be the first to learn about the key success factors not only in the new season, but also in the new reality of the world agri market.

International Conference BLACK SEA GRAIN-2021 is a premiere event for the global leaders of grain and oilseed industry since 2004.

BLACK SEA GRAIN offers participants 2 days of exclusive agri market analytics and insights from the top industry experts, effective networking and meetings with players across the value chain, top managers, decision-makers and opinion leaders.

Located in the heart of the Black Sea region, the Conference annually brings together 700+ delegates from 50+ countries. Among them are: international producers and crushers of grains and oilseeds, agri holdings, commodity traders, banks and investment funds, commodity exchanges, government authorities and industry associations, shippers, brokers, insurance, surveying, law and consulting companies etc.

The conference venue, InterContinental Hotel, guarantees compliance with [enhanced security measures](#) for forum visitors and hotel guests in connection with COVID-19.

[Here you will find information on the current conditions for traveling to Ukraine.](#)

Register today, since two days of BLACK SEA GRAIN only happen once a year!

The Conference is organized by UkrAgroConsult. General Sponsor of the Conference - ACTAVA TRADING, Official Sponsors – Glencore Agriculture Ukraine, Cerealcom Dolj, Sponsors - StoneX Group Inc, Euronext, Ayhan Sezer, Sintez Group. The Conference is supported by GAFTA and Ukrainian Grain Association.
